Follow the unsigned gully at PCT mile 620 [wooden PCT posts and Carsonite PCT markers are on either side of this gully] for 1.4 miles N to unpaved Dove Spring Canyon Rd [SC103]. The gully is mostly easy walking, but does have 2 or 3 short boulder scrambles that some hikers may find uncomfortable. After reaching SC103, walk right [SE] for 2/10 mile to reach Willow Spring. From WR620 continue 1.6 miles SE on SC103 to rejoin the PCT at mile 621.9. Skillful navigators can walk cross country E toward WR620 2/10 mile before the gully reaches SC103, shortening the alternate by about 4/10 mile. It can be difficult to find the correct point to exit the gully before reaching SC103 because your view is blocked in the gully. [WR620]	4,533	1010p3

702.2	1950.4	<p>Kennedy Meadows is a small hiker-friendly community 1/2 mile E of the PCT. Kennedy Meadows has a restaurant and a small General Store [559-850-5647] with a grill, laundry, showers, pay phone, and they allow hikers to camp out back. The store accepts hiker resupply packages [\$]. Hikers will need to carry a bear canister 315 miles from here to Sonora Pass.</p> <p>-----</p> <p>Grumpy Bears Retreat & Triple Crown Outfitter are about 2 miles SE of the General Store. Grumpy Bears [grumpybearsretreat.com, 559-850-2327] is a restaurant & bar serving food, beer & wine that also offers hikers hot showers, laundry, dry camping and accepts hiker resupply boxes.</p> <p>Triple Crown Outfitter [559-850-4453; triplecrownoutfitters.com] has good hiker reviews and appears to offer decent resupply, run from Yogi's home located across the street from Grumpy Bear's. Per Yogi [and several hiker reviews]: "No need to ship resupply packages to Kennedy Meadows anymore, because hikers can resupply at TCO. Full outfitter, full hiker resupply: bear canisters, ice axes, spikes, clothing, shoes, huge food selection, etc."</p> <p>-----</p> <p>Historically the Kennedy Meadows area sometimes has a weird competitive vibe between KM store and Grumpy Bear's.</p> <p>-----</p> <p>For the Kennedy Meadows General Store send resupply packages by USPS or UPS Include ETA on your package.
